REQUEST FOR TRANSFER OF CREDIT

FROM A U. S. INSTITUTION

GUIDELINES FOR TRANSFERRING CREDIT TO THE U.VA COLLEGE OF ARTS & SCIENCES

- **This form is for transfer of credit from U. S. institutions only.** For foreign study, see the International Studies Office.
- **Student Eligibility:** To take courses at another U. S. institution and have the credit transferred to U.Va.: you must not be on academic or disciplinary suspension, suspension-in-abeyance, or an honor leave; you must have a cumulative GPA of at least 2.0 in the semester prior to taking the courses; and you must obtain prior approval. A prior semester withdrawal may preclude transfer credit. Check with your Association Dean.
- **Credit Eligibility:** Transfer credit is accepted only from (1) a degree-granting institution of higher education in the U.S. which has been fully accredited by a regional accrediting agency; or (2) an institution approved by the Faculty of Arts & Sciences prior to your enrollment in the course. Massive open online courses (Coursera, etc.), for which students do not earn credit on a transcript from an accredited degree-granting institution, **are not eligible** for transfer.
- **You can transfer** courses for elective credit and, with prior departmental approval, for major or minor credit.
- **You cannot transfer** courses to satisfy College competency and area or Forum requirements. After matriculation to U.Va., you **must** fulfill your competency and area or Forum requirements at U.Va. The only exceptions are courses used to fulfill the foreign language requirement, taken abroad in the native-language country, with the language department's prior approval.
- **Credit you can expect:** If you have secured prior permission and receive a grade of C or better, you will receive credit. Courses passed with an "S", "P", or "Credit" grading option will transfer only upon verification that they represent work equivalent to a C or better. Such courses will also count against the maximum number of ungraded credits allowed in the degree program. **You will receive no more semester hours of transfer credit than you were awarded by the host institution. You may receive fewer.** Quarter hours will be reduced proportionally to their semester hour equivalent. If you have already received credit for the equivalent course, duplicate credit will not be awarded. No more than 60 non-U.Va. credits (including transfer and advanced standing credit) can count toward a degree in the College.

INSTRUCTIONS:

1. **Read** the guidelines above.
2. **List on the reverse** the course number/s and title/s from the **host** institution. Use additional forms as needed.
3. **For elective credit:** check the transfer credit database at <http://ascs8.eservices.virginia.edu/AsEquiv>. If the course you wish to take is listed, enter the U.Va. equivalent on the form below the host institution information. If not, return the form, along with a description of the course/s including the total number of class hours, to Meredith Burke, College Transfer Credit Evaluator, in 201C Monroe Hall.
4. **For major or minor credit: get departmental approval.** Use one form for each department. Bring the form to the Director of the Undergraduate Program (or Summer Chair) of the department, along with a description of the course/s including the total number of class hours. See <http://college.as.virginia.edu/ugrad-directors>.
If approved by the department, ask them to:
 - (a) **Indicate the U.Va. equivalent** course. If no precise equivalent exists, the advisor can designate the course as a major elective by listing the College equivalent as 2000M, 3000M, or 4000M, depending on the appropriate level of the course. (e.g. BIOL 3000M, FREN 4000M).
 - (b) **Check the appropriate box** to show that the course is approved for major/minor credit.
 - (c) **Sign the form** where indicated for Director of Undergraduate Programs.
5. **Return** completed form to the College Transfer Credit Evaluator, Meredith Burke, in 201C Monroe Hall.
6. **College Approval:** The College Transfer Credit Evaluator will review the form. If approved, the original form will be returned to you. If denied, you will be informed.
7. **Posting credit** to your U.Va. transcript: Once you have completed the course, **request that the host institution send your official transcript to:**
