Course Instructor:

FOR A LATE ADD: Please confirm in the text box below that the student attended the class before the ADD deadline as students may not add a class they have never attended after the add deadline.

FOR A LATE WITHDRAWAL: Please confirm in the text box below that the student was on the class roster but never attended the course – they did not ever attend the class and did not submit any course work.

INSTRUCTOR (PRINTED) SIGNATURE DATE

IMPORTANT NOTICE: Students are responsible for course enrollment in accordance with College policies, for knowing College deadlines and for maintaining the accuracy of their University Records. This includes verifying the accuracy of their enrollments in SIS before the ADD, DROP, and WITHDRAW deadlines of each semester. Inclusion in a course Collab site is NOT enrollment in a class.

THERE IS AN ENROLLMENT PENALTY for making changes to your enrollment after the applicable deadline. You will be among the LAST students to enroll in classes for next semester. (Or the following semester, if request comes after enrollment appts for the next enrollment period have been assigned.) If you wish to discuss the consequence of the enrollment penalty please make an appointment with your Association Dean before you submit this request.

Your signature below indicates that you have read and understood the application of the enrollment penalty.

I do not want to make the requested change if the penalty will apply,
I want to make the requested schedule change even if the penalty will apply.
